Amended October Monthly Report (9/1/00 - 9/31/00)

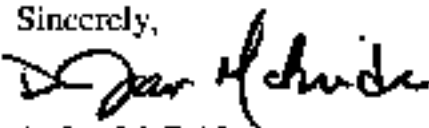

Dear Mr. Dobson:

This letter is in response to a request for additional information dated July 11, 2001.

- A) Upon further review, we have determined that the check attributed to the American Bakers Association PAC, deposited on 9/8/00 was actually a contribution from the American Baker's Assn. Political Education Committee, a non-federal account. Accordingly, we transferred the contribution (\$5,000) to our non-federal account on 7/13/01 (See the 2001 August Monthly report).

Please contact me with further questions at 202.675.4099.

Sincerely,

D. Jan McBride
Assistant Treasurer
